

About Toronto

Toronto is the capital city of Ontario, Canada and lies on the shore of Lake Ontario, the easternmost of the Great Lakes. Toronto is ideally located and is only 1.5 hours by air from cities such as New York, Philadelphia and Chicago, with direct flights available from most major world centres. Toronto is home to virtually all of the world's culture groups and is a city where more than 100 languages are spoken.

Toronto produces events and festivals that showcase the best it has to offer in music, art, culture, sports, food, theatre, gardens and shopping for all ages!

For additional information about the city of Toronto and what it has to offer, please visit the following websites:

www.city.toronto.on.ca
www.toronto.com

The summit is being held at the Delta Chelsea which is located in the heart of downtown Toronto, just minutes away from top theatres, attractions, shopping and dining. The Delta Chelsea is a four diamond rated property and is Canada's largest hotel with 1,590 guestrooms, six restaurants and lounges.

Make sure to book your reservation now to receive a special discounted rate.

Call (416) 595-1975 and mention the International Wildland Fire Safety Summit.

Visit the Delta Chelsea website at:

2003 International Wildland Fire Safety Summit

**November 18 - 20, 2003
Toronto, Ontario
Canada**

~ HOSTED BY ~

International Association of Wildland Fire

Aviation and Forest Fire Management Branch

Canada

About the Summit

The International Association of Wildland Fire (IAWF) is pleased to announce its **7th Annual Wildland Fire Safety Summit** which is being held in Toronto, Ontario, Canada from November 18-20, 2003.

This year's host will be the Ontario Ministry of Natural Resources, Aviation and Forest Fire Management Branch.

The Safety Summit represents an international gathering of wildland fire professionals to discuss critical safety issues.

Previous safety summits have been hosted in Portugal, Australia, United States and Canada.

Call for Papers

We invite you to be part of this event as a contributor of an oral presentation. This can be based on scientific studies, viewpoints or practical experience.

Please visit our website at:
www.safetysummit.org
for a look at current submissions.
or contact Rob Janser at
robert.janser@mnr.gov.on.ca
or call (705) 945-5702.

Theme of the Summit

This year, our theme is focusing on protection on the fireline. This includes procedures, fire behaviour, avoidance, personnel protection, etc.

We will also focus on the security and well-being of firefighters. This includes health, training, human dynamics, etc.

We encourage you to attend as there are tremendous benefits when safety issues and ideas are compared with our counterparts from around the world.

A complete agenda will be posted at a later date stating all the topics and speakers who will be attending. Please go to our site at:
www.safetysummit.org

How to Register

There are only 320 seats available so book early! Your participation is greatly appreciated and will make the summit a huge success!

Visit our website at www.safetysummit.org for any additional information and for on-line registration.
